Home Care Nursing: Surviving in an Ever-Changing Care Environment Sep 23 2019 Tina M. Marrelli's new book, *Home Care Nursing: Surviving in an Ever-Changing Care Environment* is a practical and comprehensive guidebook written concisely and without jargon or insider acronyms, making the book accessible to anyone whose work is connected to home care nursing services. Designed to provide chapters as stand-alone resources for readers with previous experience seeking updated guidance, *Home Care Nursing* is also an excellent guide for course or orientation material. Each chapter is packed with practical questions, discussion topics, and additional resources, such as a complete Medicare Benefit Policy for reference. Additionally, offering more than just an overview of the healthcare and home care markets, this book discusses the unique practice setting and environment of home care nursing, the laws regulations, and quality, and how to make the leap into the field, document your home visit, and improve your professional growth and development.

Kelley Blue Book Used Car Guide Jul 02 2020 The consumer edition of the authoritative price guide includes retail data on domestic and imported cars, trucks, and vans, acceptable mileage ranges, and costs of specific optional factory features.
