Ben Jonson's Walk to Scotland Sep 23 2019 At the heart of this book is a previously unpublished account of Ben Jonson's celebrated walk from London to Edinburgh in the summer of 1618. This unique firsthand narrative provides us with an insight into where Jonson went, whom he met, and what he did on the way. James Loxley, Anna Groundwater and Julie Sanders present a clear, readable and fully annotated edition of the text. An introduction and a series of contextual essays shed further light on topics including the evidence of provenance and authorship, Jonson's contacts throughout Britain, his celebrity status, and the relationships between his 'foot voyage' and other famous journeys of the time. The essays also illuminate wider issues, such as early modern travel and political and cultural relations between England and Scotland. It is an invaluable volume for scholars and upper-level students of Ben Jonson studies, early modern literature, seventeenth-century social history, and cultural geography.

Greek Naval Strategy and Policy 1910-1919 Aug 03 2020 A sharp analysis of Greek naval history in the 1910s, a time when the importance of its geographic position and its navy increased greatly. It explains the causes of these developments and their consequences for Greek national aims, the Mediterranean naval situation and the Balkan balance of power. Within this context, it also examines the competition between Britain, France, and Germany for Greek naval procurements and influence, Greek-Turkish naval tensions and the responses of the great powers. This volume also provides an in-depth analysis of the naval strategy, programme, education and organization of the Greek state and of the extent to which these were influenced by its own Naval Staff, British naval missions, and native and foreign politicians. It details the difficulties and rewards in the relationship of this rising naval power with Britain and other great naval powers of the time. This book will be of immense interest to advanced undergraduates, postgraduates and researchers in naval history and strategy.

The Bertie Project May 31 2020 44 SCOTLAND STREET - BOOK 11 Our beloved cast of characters are back, as are the joys and trials of life at 44 Scotland Street in this latest installment of Alexander McCall Smith's delightfully charming series. Bertie's mother, Irene, returns from the Middle East to discover that, in her absence, her son has been exposed to the worst of evils—television shows, ice cream parlors, and even unsanctioned art at the National Portrait Gallery. Her wrath descends on Bertie's long-suffering father, Stuart. But Stuart has found a reason to spend more time outside of the house and seems to have a new spring in his step. What does this mean for the residents of 44 Scotland Street? The winds of change have come to the others as well. Angus undergoes a spiritual transformation after falling victim to an unexpected defenestration. Bruce has fallen in a rather different sense for a young woman who is determined to share with him her enthusiasm for extreme sports. Matthew and Elspeth have a falling out with their triplets' au pair, while Big Lou continues to fall in love with her new role as a mother. And as Irene resumes work on what she calls her Bertie Project, reinstating Bertie's Italian lessons, yoga classes, and psychotherapy, Bertie begins to hatch a project of his own—one that promises freedom.

Bertie's Guide to Life and Mothers Nov 25 2019 Alexander McCall Smith's wildly popular 44 Scotland Street series chronicles life in a corner of Edinburgh brimming with wit and humor. Newlywed painter and sometime somnambulist Angus Lordie might be sleepwalking his way into trouble with Animal Welfare when he lets his dog Cyril drink a bit too much lager at the local bar. The long-suffering Bertie, on the cusp of his seventh birthday party, has taken to dreaming about his eighteenth, a time when he will be able to avoid the indignity of unwanted girl attendees and the looming threat of a gender-neutral doll from his domineering mother Irene. Matthew and Elspeth struggle to care for their triplets, contending with Danish au pairs and dubious dukes to boot, while the narcissistic Bruce faces his greatest challenge yet in the form of an over-eager waxologist. As ever, when Alexander McCall Smith visits 44 Scotland Street, fun is sure to follow.

Finding Voice to Give God Praise Jul 14 2021 In this collection of essays, outstanding scholars and pastors reflect on the many "languages" of the Catholic liturgy--the aural, spatial, temporal, kinetic, and iconic--which blend together into a single voice, a single act of praise.

Curzon and British Imperialism in the Middle East, 1916-1919 Jul 02 2020 John Fisher explores the acquisitive thinking which, from the autumn of 1914, drove the Mesopotamian Expedition, and examines the political issues, international and imperial, delegated to a War Cabinet committee under Lord Curzon. The motives of Curzon and others in attempting to obtain a privileged political position in the Hejaz are studied in the context of

inter-Allied suspicions and Turkish intrigues in the Arabian Peninsula. This is a penetrating study of war imperialism, when statesmen contemplated strong measures of control in several areas of the Middle East.

The Heretic in Darwin's Court Sep 03 2020 During their lifetimes, Alfred Russel Wallace and Charles Darwin shared credit and fame for the independent and near-simultaneous discovery of natural selection. Together, the two men spearheaded one of the greatest intellectual revolutions in modern history, and their rivalry, usually amicable but occasionally acrimonious, forged modern evolutionary theory. Yet today, few people today know much about Wallace. *The Heretic in Darwin's Court* explores the controversial life and scientific contributions of Alfred Russel Wallace—Victorian traveler, scientist, spiritualist, and co-discoverer with Charles Darwin of natural selection. After examining his early years, the biography turns to Wallace's twelve years of often harrowing travels in the western and eastern tropics, which place him in the pantheon of the greatest explorer-naturalists of the nineteenth century. Tracing step-by-step his discovery of natural selection—a piece of scientific detective work as revolutionary in its implications as the discovery of the structure of DNA—the book then follows the remaining fifty years of Wallace's eccentric and entertaining life. In addition to his divergence from Darwin on two fundamental issues—sexual selection and the origin of the human mind—he pursued topics that most scientific figures of his day conspicuously avoided, including spiritualism, phrenology, mesmerism, environmentalism, and life on Mars. Although there may be disagreement about his conclusions, Wallace's intellectual investigations into the origins of life, consciousness, and the universe itself remain some of the most inspired scientific accomplishments in history. This authoritative biography casts new light on the life and work of Alfred Russel Wallace and the importance of his twenty-five-year relationship with Charles Darwin.

Bertie's Guide to Life and Mothers Nov 05 2020 As summer blooms in Edinburgh's gardens and Bertie Pollock's birthday appears on the horizon, all at 44 Scotland Street is not cake and sunshine. Newlywed Angus Lordie has been booked by his bride into what he must not call the loony bin; Bruce's first encounter with hot wax brings more anguish than he bargained for; and Bertie's birthday dreams of scout camp and a penknife look set to be replaced by a game of Royal Weddings and a gender-neutral doll. But fate, an amorous Bedouin and the Dubai Tourist Authority conspire to transport Bertie's mother Irene to a warmer - if not a better - place, and once again in Scotland Street the triumph of human kindness over adversity gives cause for celebration.

Bertie Plays the Blues Oct 17 2021 44 SCOTLAND STREET - Book 7 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. If you haven't met the residents of 44 Scotland Street yet, there is no better time, since everyone seems to be in the midst of new beginnings. New parents Matthew and Elspeth must muddle through the difficulties of raising their triplets Rogvald, Tobermory and Fegus—there's normal sleep deprivation, and then there's trying to tell the children apart from one another. Angus and Domenica are newly engaged, and now they must negotiate the complex merger of two households. Domenica is also forced to deal with the return of an old flame, while Big Lou has begun the search for a new one, boldly exploring the new world of online dating and coming up with an Elvis impersonator on the first try. And in Bertie's family, there's a shift in power as his father Stuart starts to stand up to overbearing mother, Irene—and then there's Bertie, who has been thinking that he might want to start over with a new family and so puts himself up for adoption on eBay. With his signature charm and gentle wit Alexander McCall Smith vividly portrays the lives of Edinburgh's most unique and beloved characters.

Anglo-French Relations in the Twentieth Century Dec 07 2020 *Anglo-French Relations in the Twentieth Century* is a collection of studies on the key episodes of the difficult and often discordant Anglo-French exchange over

the past century. The authors critically re-evaluate: * the role of Spain in Anglo-French relations up to 1918 * the missed opportunity of the 1920s with the failure of France and Britain to find sufficient common ground and co-operation * the short-lived Anglo-French alliance and the Second World War * the degree of Anglo-French Imperial co-operation * the Suez Crisis * British and French policies on European Integration.

The World According to Bertie Oct 29 2022 44 SCOTLAND STREET - Book 4 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. There is never a quiet moment on 44 Scotland Street. In *The World According to Bertie*, Pat deals with the reappearance of Bruce, which has her heart skipping—and not in a pleasant way. Angus Lordie's dog Cyril has been taken away by the authorities, accused of being a serial biter. Unexpectedly, Domenica has offered to help free him. As usual, Big Lou is still looking for love, and handing out coffee and advice to the always contemplative Matthew. And Bertie, the beleaguered Italian-speaking six year old prodigy, now has a little brother, Ulysses, who Bertie hopes will help distract his pushy mother Irene. Beautifully observed, cleverly detailed, *The World According to Bertie* is classic McCall Smith and a treat for his avid fans as well as his first time readers.

Bertie's Guide to Life and Mothers May 24 2022 As summer blooms in Edinburgh's gardens and Bertie Pollock's birthday appears on the horizon, all at 44 Scotland Street is not cake and sunshine. Love in the Time of Bertie Jun 24 2022 From the hugely popular 44 Scotland Street series comes the latest adventures of Bertie and his family and friends. Life for Bertie seems to be moving at a pace that is rather out of his control. In Drummond Place gardens it seems that Olive has their future together all planned out. Meanwhile, upstairs at 44 Scotland Street, Bertie's father, Stuart, is powerless to stop over-bearing Irene and her motion for Bertie to travel to Aberdeen on a three-month secondment. And, further up in the New Town, while Bruce Anderson plots with old-school chums, love blossoms in Big Lou's Cafe. Warm hearted, humorous and wonderfully wise, *Love in the Time of Bertie* offers philosophical insight as well as sartorial elegance. Catch up once again with the extended family at No. 44, in this the latest instalment in the Scotland Street series.

Spinoza's Ethics Feb 27 2020 "This guide has an introduction and five chapters, one for each of the parts of Spinoza's *Ethics*. The Introduction includes background material necessary for productive study of the *Ethics*: advice for working with Spinoza's geometrical method, a biographical sketch of Spinoza, and accounts of important predecessors: Aristotle, Maimonides, and Descartes. The chapters that follow trace the *Ethics* in detail, including accounts of most of the elements in Spinoza's book and raising questions for further research. Chapter 1, "One Infinite Substance," covers central arguments of Spinoza's substance monism. Chapter 2, "The Idea of the Human Body," follows Spinoza's detailed metaphysics of ordinary objects, his theory of mind, and his epistemology. Chapter 3, "Desire, Joy, and Sadness," works from Spinoza's broad theory of finite activity in the striving to persevere in being to his detailed accounts of human action and passion. Chapter 4, "Bondage to Passion," emphasizes Spinoza's formal theory of value, his intellectualism in ethics, and particular claims about

value that follow from these commitments. Chapter 5, "The Power of the Intellect," begins with Spinoza's criticism of Descartes's account of our ability to control passion and moves to Spinoza's own theory, which emphasizes reason, the eternal part of the mind, and human blessedness"--

Prince Albert Jul 26 2022 Chosen as a Book of the Year in The Times and the Daily Mail 'Highly entertaining' Sunday Times 'Enthralling' Daily Telegraph For more than six decades, Queen Victoria ruled a great Empire at the height of its power. Beside her for more than twenty of those years was the love of her life, her trusted husband and father of their nine children, Prince Albert. But while Victoria is seen as the embodiment of her time, it was Prince Albert, A. N. Wilson expertly argues, who was at the vanguard of Victorian Britain's transformation as a vibrant and extraordinary centre of political, technological, scientific and intellectual advancement. Far more than just the product of his age, Albert was one of its influencers and architects. A composer, engineer, soldier, politician, linguist and bibliophile, Prince Albert, more than any other royal, was truly a 'genius'. Albert lived only forty-two years. Yet in that time, he fathered the royal dynasties of Germany, Russia, Spain and Bulgaria. Through Victoria, Albert and her German advisers pioneered the idea of the modern constitutional monarchy. In this sweeping biography, Wilson demonstrates that there was hardly any aspect of British national life which Albert did not touch. Drawn from the Royal archives, including Prince Albert's voluminous correspondence, this brilliant and ambitious book offers fascinating never-before-known details about the man and his time. A superb match of biographer and subject, Prince Albert, at last, gives this important historical figure the reverence and recognition that is long overdue.

Love in the Time of Bertie Nov 29 2022 The latest in the hugely popular 44 Scotland Street series from the worldwide bestselling author, Alexander McCall Smith Life for Bertie seems to be moving at a pace that is rather out of his control. Upstairs, at 44 Scotland Street, his father Stuart is powerless to stop over-bearing Irene and her determination that Bertie will travel to deepest, coldest Aberdeen on a three-month sojourn. Can his friend Ranald Braveheart Macpherson save the day? And can the boys execute a great escape? Meanwhile, further up in the New Town, Bruce Anderson's property development plans are thwarted by a sudden crisis of conscience that leads to a shocking revelation. And, in Big Lou's cafe, it seems that love might blossom at last. Warm hearted, humorous and always wonderfully wise, Love in the Time of Bertie offers philosophical insight as well as sartorial elegance. There are tribulations as well as celebrations in this the next instalment in the 44 Scotland Street series.

44 Scotland Street May 12 2021

Pronunciation and Phonetics Feb 06 2021 This engaging, succinct text is an introduction to both phonetics and phonology as applied to the teaching of pronunciation to English language learners. Section 1 selectively covers the main areas of phonetics and phonology, without going into any area in more depth than the average English language teacher requires or that the average English language teacher trainee can handle. Section 2 focuses on practical issues related to learners and how they learn languages, and what represents good practice in terms of classroom activities for pronunciation—including aspects such as targets, motivation and priorities. The chapters end with activities to help the reader understand concepts. Section 3 provides innovative sample activities which put into practice the theoretical points covered in the first two sections, answers to the various exercises, recommended further reading (both print and non-print), a glossary of technical phonetic terms, and a bibliography of works on pronunciation teaching. The text is accompanied by a Companion Website with audio recordings of model pronunciations and audio material relating to the activities.

The Bertie Project Aug 15 2021 Bertie's respite from his overbearing mother, Irene, is over. She has returned from the middle-east, only to discover that her son has been exposed to the worst evils of cartoons, movies and Irn Bru, and her wrath falls upon her unfortunate husband, Stuart. Meanwhile, Bruce has fallen in love with someone other than himself; Big Lou wants to adopt her beloved Finlay; Matthew and Elspeth host the Duke of Johannesburg for supper and Bertie decides he wants to move out of Scotland Street altogether and live with his grandmother, Nicola. Can Irene and Stuart's marriage survive? Will Bruce's newfound love last? And will Bertie really leave Scotland Street? Find out in the next instalment of this charming, beloved series.

A Grand Family Saga on a scale never before attempted. One that upholds the values of the country we have built. The legend of America and our family begins here.

The Government Party Jun 12 2021 Democracy thrives on vigorous competition between political parties. However, in several established democracies one party manages to dominate national politics for decades at a time, seemingly creating a democratic one-party unnatural democracy. This book examines five such countries - Canada, Ireland, India, Japan, Italy - to understand what kind of party comes to dominate democratic competition, and how and why they do so. In different countries with different political challenges, an analysis of their 'Government Parties' reveals their common relationship with the origins and operations of the states they dominate, and the nation- and/or state-building challenges they face. Democratic dominance cannot last forever; how a government party responds to the seemingly inevitable decline of long-term support defines the prospects for its unnatural democracy. Comparative Politics is a series for researchers, teachers, and students of political science that deals with contemporary government and politics. Global in scope, books in the series are characterized by a stress on comparative analysis and strong methodological rigour. The series is published in association with the European Consortium for Political Research. For more information visit www.ecprnet.eu The series is edited by Susan Scarrow, John and Rebecca Moores Professor of Political Science at the University of Houston, and Jonathan Slapin, Professor of Political Institutions and European Politics, Department of Political Science, University of Zurich.

Bertie Ahern Autobiography Dec 19 2021 Bertie Ahern, three times Irish Taoiseach, is often described as an enigma. The Old IRA man's son who delivered peace in Northern Ireland. A working class boy responsible for the Celtic Tiger. The man of faith who ushered in progressive, cosmopolitan secular Ireland. An ardent nationalist admired by European leaders. 'I know 25 per cent of Bertie Ahern', said his finance minister, Charlie McCreevy, 'and that's 24 per cent more than anyone else.' Now in this frank and revealing autobiography, Ahern gives his own account of a remarkable political life and the personal story that accompanies it. He shows the cost to his family of a life played out in the public eye and, for the first time, discloses what really happened in his final weeks in power. Here for the first time is the truth behind the man who is Bertie. Ahern has been at the cutting edge of Irish politics for over three decades. He was first elected to Dáil Éireann in the Fianna Fáil landslide

victory in 1977 that saw Jack Lynch returned as Taoiseach. In 1982, Charles Haughey appointed him Government Chief Whip. In volatile political times, he strongly supported Haughey during three challenges to his leadership of Fianna Fáil. In 1987, Bertie Ahern received his first cabinet portfolio as Minister for Labour. It was a time when the Irish economy was in crisis. Ireland had a higher debt per head than Ethiopia or Sudan. Unemployment stood at 16%. Ahern negotiated Ireland's first social partnership agreement, which underpinned economic recovery and put in place the foundations for a period of sustained growth. In 1991, he was appointed Minister for Finance. International commentators first began to refer to 'Ireland's Tiger economy' in this period. When Bertie Ahern left the Department of Finance in late 1994, for the first time in almost 30 years, Ireland had a budget surplus. Bertie Ahern succeeded Albert Reynolds as leader of Fianna Fáil in November 1994. Following the General Election in 1997, he became Ireland's youngest ever Taoiseach. The Ahern Era was a time of unprecedented progress in Irish society. Over the course of his tenure in office, Ireland's economy outperformed that of every other European country. For the first time ever, the number of people in employment in the State reached 2 million. Working closely with Bill Clinton and Tony Blair, Ahern won widespread acclaim for his perseverance and skill in negotiating the Good Friday Agreement, which has provided the political framework for a lasting peace in Northern Ireland. On the international stage, he was a respected figure who enjoyed an acclaimed Presidency of the European Council in 2004. He presided over the completion of the largest ever expansion of the EU and concluded negotiations on a European constitution. He is one of only five visiting statesmen to have addressed both the United States Congress and the Houses of Parliament in Westminster. At home, Ahern enjoyed phenomenal electoral support. He was the first Taoiseach since 1944 to win three successive General Elections. Bertie Ahern resigned on 6th May, 2008. He had served for ten years, ten months and ten days as Taoiseach.
