The text is dates back to the 11th century. It is from the indian pandit Gayadhara and the tibetan translator Drokmi. This text contains meditation practices from Tibetan Buddhism. Tibetan Buddhism uses linguistic and ritual symbols that are not accessible without instruction. Texts and instructions cannot therefore be understood without appropriate instruction. Tantric texts like these require years of engagement with Buddhist content. Buddhist teachings are divided into the General Paths and the Higher Paths on the Vajrayana Path. For tantric texts like this one should already have a deep knowledge of Tibetan Buddhism. They presuppose the teachings from the general paths. In addition, one should be familiar with Deity Yoga and have received at least one initiation into the Supreme Yogatantra from a qualified teacher. You should also have contact persons as well as a qualified teacher to whom you can ask questions. These can be found in Tibetan centers of all schools. The Paratrisika (or Paratrimisika) is a short Tantra that has been held in the highest esteem by Kashmir Saivism or Trika. After Somananda, Abhinavagupta has written two commentaries on it, a short one (Laghuvrtti) and an extensive one the present Vivarana which is presented here for the first time in an English translation. The Paratrisika Vivarana is one of the most fascinating but also most difficult texts of the Kashmir Saiva School, and of the mystical philosophical literature of India as a whole. It deals with Ultimate Reality (anuttara or para) and with the methods of realization, centred above all in the theory and practice of the mantra. Abhinavagupta displays here his great exegetical genius and presents a penetrating metaphysics of language, of the Word (vak) and its various stages in relation to consciousness. His language reflects in a luminous fashion the mystical experience contained in this text. The present translation of Abhinavagupta's masterpiece will not only be a milestone in the study of Kashmir Saivism, but it also makes available one of the major mystical texts of the Indian tradition to readers interested in philosophy and spirituality In 1976, Dr. Jonn Mumford gave a series of groundbreaking lectures on sexual Tantra at the annual Gnosticon conference. Thirty years later, his teachings still resonate. Based on Dr. Mumford's pioneering work, The Essence of Tantric Sexuality introduces Tantric theory and practice-revealing powerful techniques that, until now, have been kept secret. From autoerotic mysticism to sex magic, this book reveals how internal energies can be used to reach altered states of consciousness and transcendence. Much more than an erotic sex manual, this book also carefully explains the Tantric philosophy and the principles of this Indian tradition, effectively demystifying Tantra and making it accessible to beginners. Erogenic zones, perfume magic, secret Tantric symbols, Tantric massage, the Tantric mass, and Tantric terminology are all explored in this comprehensive guide to sexual Tantra. A treasure trove of ancient tantric secrets and techniques for happiness in life and relationships. Tantra Demystified is a manual for enlightened loving and living, and a handbook on how to become an enlightened lover. Tantra has been practiced for thousands of years in many parts of the world, and uses sex as a means to arrive at one's highest spirit. This book explains how tantric techniques are not just for sexual peaks but also for spiritual bliss. Ancient knowledge is made simple and easy to understand. It teaches the reader many techniques to arrive at pleasure peaks to heal the sexual aspect of personal relationships. It shows a clear path to arrive at the joy, bliss and pleasure everyone seeks in intimate relationships. A book brimming with over 50 simple hacks and tricks on Tantric Sex. A manual With Tom and Jane in mind. Are you interested in the so-called "tantric sex"? Do you want to renew your sexual techniques? If yes, then this is the right book for you! The possibility of maintaining a great sex life, in reality, will depend on how inventive and knowledgeable we are in such aspects. Like food, if we cook, serve, and eat the same food every day, it will become uninteresting and boring and would want to taste a different dish or try a new recipe. We need to review that sexual activity is a ton of the identical; we need different and various techniques letting us feel the same excitement when we try something new with our partner. Sex in the same place, sex in the same way, with the same foreplay, and the same climax year after year is how sex gets routine, and it's a big reason why sex is less frequent among couples. Exploring this couples' sex guide can be a perfect way to rip your routine and get some excitement back into your relationship. Penis-in-vagina sex most often produces a male orgasm, but only occasionally has a female orgasm. This is because the clitoris position hinders most women from becoming responsive, sufficient, and sustained during intercourse stimulation. Making love in forms that please both partners is neither apparent nor straightforward-it does not "happen naturally." This book covers: Tantra meaning, provenience, philosophy, vision; The philosophy behind tantric sex; Specific ways you can transform your sexual energy and connect with your inner self; Orgasm issues; Finding the ecstasy together; The fantastic benefit of tantric practice to get over male/female sexual performance anxiety. And much more We all know how sex was when we entered a new relationship. When you made love, it was like a new adventure to explore the body of your partner. When we don't proactively improve sex, sex becomes routine. Routine may be a part of humanity, but it is not how we expect our sex lives to be; let's be rational. Get Your Copy Now to Transform Your Sex Life The practice of Tantra Yoga is considered to be the highest and most rapid path to enlightenment. Master teacher Mukunda Stiles offers 18 lessons in Tantra Yoga, a practice of transformational self-healing in which we can deepen awareness of our bodies, their energy forces, and the connections to the natural world around us and those we love. While many movements today describe tantra as a sexual practice promising longer and better orgasms, increased stamina, and ecstasy, the real Tantra aims to awaken Kundalini, the dormant potential force in the human personality. The Tantra tradition includes a vast range of practical teachings leading to the expansion of human consciousness and the liberation of primal energy. By heightening their awareness to this connective energy readers will learn to embrace and develop a higher level of intimacy, the heart of tantra. Stiles explains this intimate and life changing practice with grace, structure, and clarity--an easy-to-follow Tantra Yoga workshop in book form. Tantra Yoga Secrets will empower readers to overcome emotions, gain new knowledge, and live a more fulfilling spiritual lifestyle. The mythology, rituals, meditations, and practices used in Tantric worship of the goddess Kali in

the tradition of Kashmiri Shaivism • Reveals the practices of Vamachara, known as the Left-hand Path but more accurately translated as the Path of Shakti • Includes a Kali ritual from the Nirrutara Tantra, translated here for the first time • Presents devotional chants, meditations, and mudras specific to Tantric worship of Kali According to traditions going back to pre-Vedic times, Kali sprang from the third eye of the Goddess Durga as a destructive and terrifying manifestation of feminine power sent to lay waste to the forces of evil. Throughout India to this day, Kali is worshipped as the destroyer of bondage, capable of liberating her devotee from all rules and subjugation. In Tantric Kali, Daniel Odier presents the mythology, practices, and rituals of Kali worship in the Tantric Kaula tradition within Kashmiri Shaivism. He reveals the practices of Vamachara, commonly known as the Left-hand Path but more accurately translated as the Path of Shakti. In this tradition the body itself is Kali's temple, and it is therefore unnecessary to reject or deny the body to know union with the divine. Instead, nothing is regarded as pure or impure and there is complete freedom from rules. Focused on working directly with forbidden emotions and behaviors, this path allows the seeker to transcend obstacles to liberation through sexual union. According to the Kaula Upanishad, "In your behavior do the opposite to what the norms dictate but remain in consciousness." This is the essence of Tantra. Kali is absolute reality: manifested as woman intoxicated by desire, she frees the tantric practitioner from all desire except union with the divine. The author includes an evocative ritual from the Nirrutara Tantra--never before translated into any Western language--containing devotions to the 64 yoginis according to Matsyendranath, founder of the Kaula path. Offering devotional chants, meditations, and mudras specific to Tantric worship of Kali, this empowering book provides practices and teachings for those on the Tantric path to liberation. Sir John George Woodroffe (1865–1936), also known by his pseudonym Arthur Avalon, was a British Orientalist whose work helped to unleash in the West a deep and wide interest in Hindu philosophy and Yogic practices. Woodroffe's *The Serpent Power – The Secrets of Tantric and Shaktic Yoga*, is a source for many modern Western adaptations of Kundalini yoga practice. It is a philosophically sophisticated commentary on, and translation of, the *Satcakra-nirupana* ("Description of and Investigation into the Six Bodily Centres") of Purnananda (dated c.AD 1550) and the *Paduka-Pancaka* ("Five-fold Footstool of the Guru"). The term "Serpent Power" refers to the kundalini, an energy said to be released within an individual by meditation techniques. Have you ever felt that ecstasy after a beautiful night with your partner? Do you have the desire to feel it again and again? Would you like to drastically improve your relationship and live your sexual life to its full potential? Would you like to have a tool that is going to lead you in every area of internal and external relationships? I think your answer is a definite "Yes" to at least one of these questions, so just keep reading... "TANTRIC SEX" - a book that will teach you the secrets of long-lasting relationships. Buy it NOW and get addicted to this amazing book Tantric yoga is a form of yoga practice that's aligned with tantra, an ancient spiritual practice originating in India, Tibet, and other parts of Asia. Tantra is often associated with tantric sex, which is the sensual, spiritual form of sex. This book is not a scholarly commentary 'on' the Kashmiri Shaivist tradition, but the most comprehensive and original contribution TO that tradition since its synthesis by the great 10th-century teacher - Sri Abhinavagupta. Through its innovative principles and practices, the author unites philosophy and theology, psychology and metaphysics in a way that makes this yoga not just 'a' new yoga but THE New Yoga - a new exposition of Tantric Wisdom evolved from and for Today's World. This book provides an excellent introduction to the essence of Hindu Tantrism, discussing all the major concepts and correcting many existing misconceptions. Did you know that tantric sex is NOT all about sex? Or that it could be a path to healing several other areas of your life? What if you could experience full-body orgasms that lasted for hours? Doesn't that sound incredible? The truth is, the strength of your relationship is not forged during the dates you have or how much time you spend together as a couple. A strong, loving bond that can withstand the test of time is built during the most precious and intimate moments you share with your partner. It is built during sex. Having sex should be more than just satisfying your hormonal lust or desires. Sex should be a time when you connect with your partner in a way so deep, you're both brought to the brink of ultimate bliss. Originating in India sometime between 300 and 400 of the Common Era (CE), the concept of tantra can be detected dating back to 2000 BC. Ancient civilizations have long been harnessing the power of this remarkable practice, and the modern world we live in is only now waking up all the glorious possibilities tantric sex can bring. Tantric sex is not a religion. It is a practice and a way of life. It doesn't just teach you the various sex methods you could use for greater pleasure alone. It teaches you how to give and receive the loving energy between a pair of lovers. It teaches you about awakening the internal spirit, the energy of life that flows within us all to connect with your spiritual side, and restore meaning to your life. It reminds us that our bodies are a temple and that within every man and woman, there resides a God and Goddess. Tantric sex is about connecting with your partner so deeply that in that union, you feel like you may have found your soul mate at last. You Will Learn: Tantra's emotional and cultural origins Why tantric sex is better than regular sex How to bring out your partner's sensual side Overcoming the myths to discover the truth How to awaken your body and free your mind The true power of breath and what it can do for your sexual experience How to harness the power of your sexual energy How to transform your sexual energy

using your chakras How to manipulate the senses for greater intimacy What the erotic awakening massage can do for you Understanding the universal hum The best tantric sex positions to try today There's more to tantra than meets the sexual eye, and this book aims to help you understand why it should be seen as a way to connect meaningfully with your partner rather than seeing it as nothing more than a way for you to have an orgasm. Embrace tantra fully, and you'll live your life with freedom and passion you never knew before. Tantra doesn't just teach you how to connect with your partner. It teaches you how to connect with your world. Tantra is a practice that benefits both men and women, and we'll provide step-by-step guides about how you can work together with your partner the way you are supposed to. This book is not going to tell you how to do it. It's going to show you how to do it. Are You Ready to Change Your Sexual Experience for the Better? Download Now! Your sexual awakening awaits. Have you always wanted to practice tantra, but felt left out because some guru said tantra wasn't for you? Have you been frustrated with your sex life? Then keep reading... Written by a leading authority on Shaktic and Tantric thought, this book is considered the prime document for study and application of Kundalini yoga. It probes the philosophical and mythological nature of Kundalini; the esoteric anatomy associated with it; the study of mantras; the chakras, or psychic centers in the human body; the associated yoga and much, much more. Two important Tantric documents are included: The Description of the Six Chakras and Five-fold Footstool. This book demystifies Tantric sex and shows readers how to put the intensity of tantric sex into their lives to reach sexual nirvana. "Tantra: Sex for the Soul" humbly aims to go where no book of Tantra has gone before. For those who know nothing about Tantra, this book is bound to profoundly change your life. For those who have started down the path, it will deepen and enhance your knowledge. This perfect system - conceived with so much insight and wisdom thousands of years ago - is presented in a practical, step-by-step approach that guides newcomers as well as more experienced practitioners to reach a coherent understanding of sexual Tantra. "Tantra: Sex for the Soul" reveals all the tips and secrets to realize accurate practice, the remarkably multiorgasmic horizons that await, and Tantra's exceptional potential for health, healing, and higher consciousness. While in today's environment of neo-Tantra, the spiritual aspects of this system have become lost and superseded by the spectacular sexual results of tantric practice, "Tantra: Sex for the Soul" does not waver from its commitment to a sacred approach that honors the revelations of the authentic Indian and Tibetan tantric traditions. This book - supplemented with many personal testimonials - guides the reader through the ins and outs of all aspects of Tantra: fundamental principles, energy and its control, sexology, men's and women's issues, individual training and techniques, relationships, lifestyle, tantric massage, and much more. Genuine in his commitment to share this lineage with modern seekers, Somananda Moses Maimon provides readers with one of the most comprehensive books available on this subject. You are hereby invited to explore the mysteries of Tantra - an invitation to discover the soul-touching depths of your own being and the beautiful heights of ecstasy accessible to everyone. Why did the West put Tantra in the box of erotic sex? How did this conceptual degradation of a millennia-old spiritual path come about? And where, or what, is the real Tantra? In answer to these questions, Sam Red refers to her research, contemplations and direct experiences of the basics of the tantric theoretical framework. In typically candid, inspirational and oftentimes provocative and humorous style, she draws parallels with Taoism and points to tantric techniques that can be used to bring a greater sense of purpose, joy and self-empowerment into everyday living. Sam Red is also author of "She Who is Unto Herself" and "My Name is Joy". Available on Amazon. Tantric Secrets for Men - Valued at \$49.95. Demonstrates how tantra opens up the world of sensory experiences, covering the foundations of Vajrayana, the role of the tantric mentor, and the practice of retreat. In this volume that follows Gay Tantra (Xlibris 2000) and Essays on Gay Tantra (Xlibris 2000), William Schindler, a.k.a. Brother William, invites the reader into deeper and previously mostly secret aspects of Tantric

philosophy and practice. Traditional Tantra teaches methods of spiritual enlightenment—not sexual practices. In traditional Tantra sexuality and other types of sensuality are integrated into a whole-life approach to spirituality. But merely calling a practice or technique "Tantra" does not make it so. Traditional Tantra can only be learned from one who has studied and practiced in a line of enlightened Gurus. Brother William has been studying and practicing traditional Hindu Tantra since 1969 both in India and America, and since 1997, when he founded Ashram West, he has been teaching his adaptation of traditional Tantra for gay-identified persons, making intelligible the esoteric teachings of the ancient tradition. Unlocking the secrets of Tantra—one of the most alluring forms of Buddhism Often misunderstood, Tantrism focuses on a particular style of meditation and ritual. Having far more to do with the sacred than the sexual, Tantric Buddhism is believed to have originated around the 5th Century AD in the rich cultural basin of Bengal and spread throughout the Asian world. Today it is widely practiced in Tibet, Japan, and the West. The Secrets of Tantric Buddhism presents accessible translations of 46 classic texts found in the Carya-Giti, a collection of teachings by more than twenty famous Siddhas, or Tantric adepts, who lived during the illustrious Pala dynasty of the 10th and 11th centuries. Renowned translator and scholar Thomas Cleary unlocks the mysteries of these texts and provides commentary for each that explains the ancient teachings in a way that makes them seem fresh and contemporary. These teachings emanate from one of the most dynamic sources of Buddhism, at the height of its religious development. They are completely nonsectarian and will be greeted enthusiastically by those interested in spirituality, world religions, and classic Buddhism. A guide to meditation, sex, and ecstasy.
