In this pathbreaking volume, Velina Hasu Houston gathers together eleven plays that speak in the "hybridized, unique American voices of Asian descent -- and often dissent." These writers resist the bigotry that attempts to target them solely as people of color as well as the homogenizing tendencies of a multiculturalism that fails to recognize the varied make-up of Asian America. Anthologized for the first time, these plays testify to the rich complexity of Asian American experience while they also demonstrate the different styles and thematic concerns of the individual playwrights. What are Asian American plays about? Family conflicts, sexuality, social upheaval, betrayal ... the stuff of all drama. Whether the characters are a middle-aged Taiwanese woman who is married to an Irish American and who dreams of opening a Chinese restaurant, a Chinese American female bond trader trying to survive a corporate takeover, or an ABC (American Born Chinese) gay man whose lover has AIDS, their Asian-ness is only a part of their story. As a playwright, Houston is keenly aware of the rigid formulas that often exclude writers of color and women women writers from mainstream theater. But *Still, Like air, I'll Rise* brings forth vibrant new work that challenges producers and audiences to broaden their expectations, to attend to the unfamiliar voices that expresses the universal and particular vision of Asian American playwrights. A new anthology by some of the top names in the genre. Time travel and the dangers of altering the time stream continue to fascinate readers. This book offers 17 new stories of daring adventurers who meddle with time including: a science fiction fan who warded off an alien invasion of Earth through contemporary culture...Joan of Arc's training in future history...and an FBI hunt for a Mafia don who found his way back to the age of knighthood. The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.). Covers all models of Chevrolet/GMC 1/2, 3/4 and 1-ton Pick-Ups and Suburban, Blazer and Jimmy; 2 and 4 wheel drive, including diesel engines. Combines photographs, line drawings, and exploded views with detailed overhaul procedures for specific units and components This is Frankie San's story. Born in Tokyo to a Buddhist family, Frankie San's childhood was marked by sickness and quarantine, parental divorce, and fighting for Japan in WWII at 14 years of age. Experiencing major depression, he tried to end his life – but God had a better plan. Light filled Frankie San's heart and soul after an American missionary introduced him to Jesus Christ. Through miraculously opened doors, Frankie San traveled to the United States to attend seminary. He overcame cultural and language barriers and prayed for direction for his future. Direction came in the form of busses filled with prisoners. When Frankie learned where the busses took their prisoners, he surprised the director with his request to visit the prison and perplexed him when he wanted to remain. What happened next was incredible love confirmed by action, as Frankie literally believed and followed through on those famous words from Scripture: Inasmuch

as ye have done it unto one of the least of these my brethren, ye have done it unto me (Matthew 25:40). Frankie San's life and testimony is unique, heartwarming, and inspiring. You'll be challenged to love those who can give nothing back, to truly trust Christ as you follow Him, and to persevere despite overwhelming odds. If it's not too late for prisoners on death row, it's not too late for you and me. Follow me, said Jesus, and I will make you fishers of men. A world list of books in the English language.
