Today it seems extraordinary that a nation the size of the United States could have been so profoundly affected by the minister of a little Baptist church in Montgomery, Alabama. But at a turning point in American history, Martin Luther King, Jr., had an incalculable effect on the fabric of daily life and the laws of the nation. As no other preacher in living memory and no politician since Lincoln, he transposed the themes of love, suffering, deliverance, and justice from the sacred shelter of the pulpit into the arena of public policy. He was the last great religious reformer in America. How the man who always saw himself as "fundamentally a clergyman, a Baptist preacher" crafted his strategic vision and moved a nation to renewal is the subject of this remarkable new book. The Preacher King investigates Martin Luther King Jr.'s, religious development from a precocious "PK" ("preacher's kid") in segregated Atlanta to the most influential American preacher and orator of the twentieth century. To give the most accurate and intimate portrait possible, author Richard Lischer draws almost exclusively on King's unpublished sermons and speeches, as well as tape recordings, personal interviews, and even police surveillance reports. In King's published works, Lischer shows, King and his editors modified and polished his sermons in order to reach as wide an audience as possible. By returning to the raw sources, Lischer recaptures King's real, African-American, preaching voice and, consequently, something of the real King himself. He shows how as the son, the grandson, and the great-grandson of preachers, King early on absorbed

the poetic cadences, the traditions, and the power of the pulpit. He traces King's coming of age from his rebellious teenage years (King once wrote that at thirteen he shocked his Sunday School class by "denying the bodily resurrection of Jesus") to his arrival in Montgomery, where he took on the role of "Brother Pastor" to his flock during the year of ministry before he burst into national prominence. Lischer shows that King was as profoundly influenced by his fellow African-American preachers as he was by Gandhi and the philosophers, and tracks King's themes of brotherhood and justice from the set pieces of his weekly sermons to his electrifying mass meeting speeches, demonstrations, and civil addresses. Lischer also reveals a later phase of King's development that few of his biographers or critics have addressed: the prophetic rage with which he condemned American religious and political hypocrisy. During the last three years of his life, Lischer shows, King accused his country of genocide, warned of long hot summers in the ghettos, and called for a radical redistribution of wealth. More than any other book, *The Preacher King* captures the crucial aspect of the identity of Martin Luther King, Jr. Human, complex, and passionate, here is a preacher who never gave up trying to shape a congregation of people that would be capable of redeeming the moral and political character of the nation. This reflection, though brutally honest, provides insight to the conflicts that face the children of ministers, pastors, religious clergy, deacons, and church leaders. It challenges fellow Christians, to nurture the lives of these children without punishing judgments. This work provokes congregants and leaders to nurture preachers kids, and provide heartfelt guidance and vigilant prayer. It encourages prayer-warriors, to guard over the hearts of preachers kids. The book leads the reader toward self-examination and self-correction. The author makes a noteworthy disclaimer; I do not have a license in counseling, a degree in psychology or theology. I am not an elder or deacon in any church, nor do I hold office as a board member on any religious organization. I am not a minister, pastor or evangelist. I am neither an acclaimed author nor an authority of any kind. Forgive me if I have misquoted scripture or taken verses out of context. However I hope the Bible verses I have quoted throughout this book would not seem preachy; but then again, I am a preachers daughter. I trust that, these scriptures will grab at your hearts and soothe your soul-wounds. I hope they will provide a new perspective and they would be as you have never heard them or thought of them before. The author writes from a unique perspective, that of a preachers kid. I am the voice of a group that is easily misunderstood and even shunned. We are the group that, should know better. Just being born into the subculture of preachers kids we are automatically judged by all, (the righteous and the unrighteous alike). We are expected to... by default, be good, be upright, make no mistakes, be all things to all men all of the time. We are to be mature in all judgments from the moment of birth, and on and on it goes. Few can comprehend our journey toward our Father on a road less traveled. This journey will be enlightening and comforting to all who read it. It will bring hope to those who are confused and lost. The book although empathetic to all parties, makes all accountable for their behaviors toward others and to the Heavenly Father. It is with great love and sensitivity that the author leads the reader to finding relationship with Jesus. Just for a moment, the reader can walk in the shoes of preachers kids with understanding and empathy. It brings much-needed direction and guidance. The author attempts to bridge the gap between all of you and preachers kids. It also attempts to reconcile the disconnection between preachers kids and Jesus. This work is raw and honest. It is a reflection of a lost generation who need to know the true power of redemption and the priceless gift of grace and love. General editor Lloyd J. Numerous books are available on the meaning and methods of preaching, but nothing has been written that specifically addresses the character of those who would preach. Preacher and Cross helps fill this gap in homiletic studies by examining the relationship between the message of Christian proclamation and the preacher, with specific attention to ministerial character and the preacher's use of self in sermons. Andr? Resner discusses the two dominant approaches to homiletics--the rhetorical approach typified by Augustine and the theological approach typified by Barth--and then compares and contrasts these approaches to what the apostle Paul says on the issue. Essential reading for those involved in ministry, this work offers invaluable insights into the relationship between preachers and the message they proclaim. George Whitefield and Ben Franklin came from separate countries, had different philosophies, and led dissimilar lives. But they were fast friends. Franklin was the American prototype: hard-working, inventive, with humble manners and lofty dreams. Whitefield was the most popular preacher in an era of great piety. His preaching was heard by thousands. When Whitefield died in 1770 he had built a spiritual foundation for a new nation---just as his friend, Franklin, had built its social foundation. Some doctors are baffled at the fact that Rev. H. Meredith Hinds is still alive today. They are saying he is a living miracle. Twelve years ago, this preacher was diagnosed with cancer of the throat and was not expected to talk again, far less preach. The chief surgeon told him that during the operation, he could not remove much of the tumor because the cancer cells were so aggressive, that they had already spread to the main artery of the brain, as well as the spinal cord. This man was told that the only help available for such a condition as his was radiation treatment. However, he refused to accept the radiation treatment his doctor had prescribed and decided that he would trust God for his healing instead. You will be greatly challenged by the faith of this amazing man of God. "This work is a vital reading for all. It should provide inspiration to those who find themselves in testing situations, and also those in search of faith". Prof. Curwen Best BA (UWI), MPhil (UWI), PhD (Birmingham) Professor of Popular Culture and Literary Studies UWI, Cave Hill Campus, Barbados "Quite frankly, your story should be a "bestseller" here in the USA and abroad. It's not only a great book, but it's personable and genuine and it probes at the heart making you want to seek God's face even more. I also enjoyed that you were not puffed up and afraid to talk about your weaknesses". Marisa, New Jersey Sex, Gewalt und völlig enthemmte Superhelden! Among a generation of giants that brought fundamentalism to a position of prominence and influence in the twentieth century is "The preacher from Pontiac," Dr. Tom Malone, founder and longtime pastor of Emmanuel Baptist Church of Pontiac, Michigan, as well as founder and president of Midwestern Baptist College. The reach of his ministry has been worldwide. Although a prominent, influential figure today, Dr. Malone truly had a humble beginning. Reared in a broken home in the rural South in the Depression era, he struggled through the hardships of the times to prepare for the life of service that God had planned for him. Here is the story of Tom Malone, his wife, Joyce, and the great ministries that have come about through their labors. It will excite you and encourage you to see what God will do through His faithful servants. - Back cover. Many clergy receive little training in the arts of preaching and it is assumed that they will learn by gaining experience. The renowned American preacher Herbert O'Driscoll suggests that congregations do not want to be given a map showing them how to get to the coast, they want to be drenched in the spray. Narrative preaching is a means of achieving such immediacy. By dramatic story-telling, it invites listeners into enter the text imaginatively and enables them to experience sermons as transformative events. This book aims to provide not just a theoretical introduction, but a resource that uses sermons in the narrative style to reflect on how to prepare and construct them and how to deliver them effectively in the context of worship. "The Preacher's Edge "puts to work the basic principles of oratory and persuasive speaking with creative pulpit techniques. It is written to be used by preachers for a revival and renewal of their preaching. From this book one can learn how to reach and hold the attention of this "channel surfing" generation of congregational members. This book is a celebration and affirmation of the role of preaching as the church moves into the 21st century. Reading it will modify the way in which the

preacher delivers his message. And it will improve the attention span of those who hear the Good News in new and exciting ways. "In tune with the communication patterns of the "baby boomer and buster generations," Dr. Schmalenberger advocates preaching in an imagistic, earthy, and rhetorically musical style, and urges us to meet head-on the demand that the church respond to the difficult questions of our society. Both chapters and sample sermons present examples of the techniques he describes, and the book concludes with a clear, step-by-step program for improving one's preaching that could profitably be followed by preachers at any stage in their ministry." The Rev. Linda L. Clader, Ph.D. Associate Professor of Homiletics The Church Divinity School of the Pacific Berkeley, California "Years in demanding pulpits and classrooms have given Jerry Schmalenberger an "edge" that he shares with candor and power. If you are looking for suggestions and possibilities, even a ten-week strategy for improving your preaching, this book is for you." Richard L. Thulin, Th.D. Dean and Professor of the Art of Preaching Lutheran Theological Seminary Gettysburg, Pennsylvania This volume is a plea and a plan for preaching "close to the ground," using the very best speech techniques that have been discovered over the years. Schmalenberger strongly believes that paying attention to listeners' reactions is a keystone to effective preaching. Building on the extended narrative metaphor, he shows how local history can be a source of gospel parable and how it will more effectively lead to reaching the Baby Boomer and Baby Buster generations. Jerry Schmalenberger is president and professor of parish ministry at Pacific Lutheran Theological Seminary in Berkeley, California. He teaches introductory and advanced preaching courses in addition to practical theology. Professor Schmalenberger has been senior pastor in some of the largest Lutheran congregations in the United States and has appeared regularly on television and radio programs. He is a graduate of Wittenberg University and Hamma School of Theology in Springfield, Ohio. He has received Doctor of Ministry and Doctor of Divinity degrees from Wittenberg and Hamma. Schmalenberger has taught speech and communication at Wittenberg University and Urbana College in Ohio and was a parish pastor for 29 years. The discovery of two murder victims who were killed twenty years earlier is complicated by the body of a third, recent victim at the same location, a case that compels detective Patrik Hedstrom to investigate a feuding clan of misfits, religious fanatics, and criminals. Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist. This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ. Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities, including the imagination to bear upon the arts of Christian proclamation. The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ, whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit. It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the

gospel bodily within the context of the liturgical work of God's people. In *Reading for Preaching* Cornelius Plantinga makes a striking claim: preachers who read widely will most likely become better preachers. Plantinga -- himself a master preacher -- shows how a wide reading program can benefit preachers. First, he says, good reading generates delight, and the preacher who enters the world of delight goes with God. Good reading can also help tune the preacher's ear for language -- his or her primary tool. General reading can enlarge the preacher's sympathies for people and situations that she or he had previously known nothing about. And, above all, the preacher who reads widely has the chance to become wise. This beautifully written book will benefit not just preachers but anyone interested in the wisdom to be derived from reading. Works that Plantinga interacts with in the book include *The Kite Runner*, by Khaled Hosseini *Journey*, by Sonia Nazario *Silence*, by Shusaku Endo "How Much Land Does a Man Need?" by Leo Tolstoy "Narcissus Leaves the Pool" by Joseph Epstein *Les Misérables*, by Victor Hugo . . . and many more! Here is an opportunity for pastors and seminary students to learn from the best.
