In New York Times bestselling author Lynsay Sands' captivating romance, a lass targeted by an unknown foe is

saved—and seduced—by a bold Highlander Edith Drummond owes her life to Niels Buchanan and his brothers. Waking after an illness to a castle overrun by rugged Highlanders is disconcerting, but so is learning that she's slowly being poisoned. Niels insists on staying by her side, and Edith soon discovers that even more dangerous is her wild attraction to the fierce warrior. Niels has never met a more courageous—or enticing—woman than Lady Edith. The idea of such a bonny lass being forced to enter a nunnery is more than any red-blooded Scotsman could bear. He'll gladly marry her himself. But while sweeping her off her feet is easy, it'll take all his skill to defeat her family's relentless enemies, and convince her to surrender to his sweet embrace. . . . What is this world he has awoken into—where metal "monsters" roar down smooth stone paths and people parade in unfamiliar costumes? Where is the home that once stood on this pile of ancient rubble? And

who is this woman who sees him when no one else can . . . and who stirs the fire in his soul? Her research into the legend of a notorious 18th-century Highland chieftan has brought Arabella Ryan to Scotland's storm-swept Loch Fasail. And now the Black Maclean himself has invaded her dreams. The sensuous caress of her mysterious "ghost lover" is no mere fantasy, lifting Bella to heights of ecstasy she never imagined existed. But fate has a reason for bringing them together across the centuries—a perilous mission that could change history as it tests the power of their desire and their love. "Witty, sexy and hard to put down."—RT Book Reviews Undine Douglas is playing a dangerous game in the early 1700s, spying on the English to help the Scottish Highland clans. She can work her magic on anyone—except for the sexy distraction she pulled out of the 21st century. In a quest to bring peace to her beloved Scottish borderlands, fortune-teller and spy Undine Douglas

agrees to marry a savage English colonel. Desperate to delay the wedding long enough to undermine the army's plans, Undine casts a spell to summon help and unexpectedly finds herself under the imperious gaze of the handsome and talented Michael Kent, twenty-first century British theater director. Though he abandoned acting years ago, Michael will play whatever part it takes to guard Undine's safety—he's used to managing London's egocentric actors and high-handed patrons, after all. But not even Shakespeare could have foreseen the sparks that fly when the colonel's plans force Undine and Michael into the roles of their lifetimes.

Seven McTiernay brothers, each a highlander born to protect Scotland and her people, warriors known for their quick wits and quicker broadswords. The third brother, Cole, stared death in the face when he was only a boy . . . Now Cole McTiernay is a man. And though he resists them in every way, he has responsibilities. The wild northern Highlands need a laird who can guide them to peace. Cole has the army strong enough to accomplish this task. What he doesn't have is the desire—to be a leader among men. And so he is sent off on a fool's errand: a mission to retrieve something from the

very Englishmen Cole has spent his life hating. When he finds that the “something” is a wild hellion, he balks, determined to make the return to Scotland as hard on her as it was for him to set foot on English soil. But though English herself, Ellenor Howell intrigues him with her fierce spirit, and Cole's heart, deeply locked away for so long, may be vulnerable at last . . . “An extremely engaging historical romance . . . quite amusing, a bit charming, and a thoroughly enjoyable read.”—Fresh Fiction “Once again Sinclair demonstrates her ability to touch [fans'] minds and hearts, keeping them enthralled. Her deft handling of her characters' emotional evolution, backed by her talent for presenting them in a plot that's both witty and sensual, is captivating.”—RT Book Reviews 'Highlanders have long been among the most feared soldiers in the world and Tim Newark's book admirably tells their stirring tale. A great read!' Bernard Cornwell On the fields of Waterloo, the deserts of Sudan,

the Plains of Abraham and the mountains of Dargai, the trenches of Flanders and the jungles of Burma - the great Highland regiments made their mark. The brave kilted troops with their pipes and drums were legendary, whether leading the charge into the thick of battle or standing fast, the last to leave or fall, fighting against the odds. Acclaimed historian Tim Newark tells the story of the Highlanders through the words of the soldiers themselves, from diaries, letters and journals uncovered from archives in Scotland and around the world. At the Battle of Quebec in 1759, only a few years after their defeat at Culloden, the 78th Highlanders faced down the French guns and turned the battle. At Waterloo, Highlanders memorably fought alongside the Scots Greys against Napoleon's feared Old Guard. In the Crimea, the thin red line stood firm against the charging Russian Hussars and saved the day at Balaclava. Yet the story is also one of betrayal. At Quebec, General

Wolfe remarked that, despite the Highlanders' courage, it was 'no great mischief if they fall'. At Dunkirk in May 1940, the 51st Regiment was left to defend the SOE evacuation at St Valery; though following D-Day the Highlanders were at the forefront of the fighting through France. It is all history: over the last decade the historic regiments have been dismantled, despite widespread protest. Praise for *The Mafia at War: An engrossing history that reads like a thriller. 'The Godfather' meets 'Band of Brothers'.* Andrew Roberts An engrossing account that has the read-on factor of the finest thriller. James Holland Newark tells an extraordinary tale with pace and conviction, and impressively unravels what really happened from the pervasive myths. *History Today* He would defy the boundaries of time for one night in her arms . . . He was a mighty Scottish warrior who lived in a world bound by ancient laws and timeless magic. But no immortal powers could prepare

the laird of Castle Brodie for the lovely accursed lass who stood before him. A terrible trick of fate had sent her 700 years back in time and into his private chamber to tempt him with her beauty—and seduce him with a desire he could never fulfill. For this woman he burned to possess was also the woman he had foresworn to destroy. When Lisa felt the earth move under her feet, the fiercely independent 21st-century woman never dreamed she was falling . . . into another century. But the powerful, naked warrior who stood glaring down at her was only too real . . . and too dangerously arousing. Irresistibly handsome he might be, but Lisa had no intention of remaining in this savage land torn by treachery and war. How could she know that her seductive captor had other plans for her . . . plans that would save her from a tragic fate? Or that this man who had long ago forsaken love would defy time itself to claim her for his own. . . . Only one man could set her heart ablaze . . .

Lady Averill Mortagne learned to control her fierce temper as a young girl. But if her father insists on parading her before one more English lord who looks askance at her flame-colored hair, she'll simply scream! Her only respite is the time she spends with Kade Stewart, the wounded Scot her brother brought home from the Crusades. Who could have imagined a Highland warrior would be the only gentleman around? Lady Averill helped save his life, and for that Kade is truly grateful. She is also almost unbearably beautiful, but he could never subject such a sweet and gentle lady to the rough life of a Stewart laird's bride . . . or could he? When she braves an unexpected danger by his side, Averill will prove to Kade that her heart is as fiery as her hair . . . and that submitting to their scorching passion would be heaven indeed. He would sell his warrior soul to possess her. . . . An alluring laird... He was known throughout the kingdom as Hawk, legendary predator of the battlefield and the boudoir.

No woman could refuse his touch, but no woman ever stirred his heart—until a vengeful fairy tumbled Adrienne de Simone out of modern-day Seattle and into medieval Scotland. Captive in a century not her own, entirely too bold, too outspoken, she was an irresistible challenge to the sixteenth-century rogue. Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm's length—but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect "no" on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne's reservations were no match for Hawk's determination to keep her by his side. . . . Anne Maclean is a highlander's daughter: born of a proud

clan—and, like her aunt and uncle, a brave and loyal spy for the King of Scotland. The Maclean clan has many enemies, but none so vicious and determined to kill them all as Col Pearce, a King's soldier who saw his career crumble by ill health after being wounded by Mairead Hay, Anne's cousin. Col has vowed revenge, and does not hesitate when he gets his chance to kill Anne's partner Hew and take her captive. But while Col Pearce has been following Anne, he himself is under scrutiny for his cruelty not only to Scottish clans but the English as well. The King of England has tasked Wade Harland with finding Col and taking care of the problem... but Wade has also heard whispers of Col's vendetta against the Hay and Maclean clans. When Wade and his partner Robin find Hew's body and evidence that he has taken a woman, they set out to find Col and rescue her. For Wade is convinced that the woman is Mairead Hay, a Scottish spy to whom he owes his life. When he finds that the

woman is not dark-haired, level-headed Mairead, but a flame-haired Scottish spitfire who hates the English with a passion, he has to work hard to make her trust him. Worse, he knows that Col has vowed to kill them both. Wade and Anne find themselves not only fighting for their lives, but also fighting their feelings for each other... and denying a love that can never be. With his very life at stake, Adam's only hope for survival is in the hands of the one woman who can actually see him. Enter law student Gabrielle O'Callaghan, who is cursed with the ability to see both worlds: Mortal and Faery. From the moment she lays eyes on this stunning male, Gabby is certain of one thing: He could be her undoing. Thus begins a long, dangerous seduction. Because despite his powerful strength and unquenchable hungers,

Adam refuses to take a woman by force. Instead, he will tease his way into Gabby's bed and make her want him just as he wants her. Now, no matter how hard Gabby tries to avoid him, Adam is everywhere, invisible to all but her—perched atop her office cubicle in too-tight jeans, whispering softly from behind the stacks of the law library, stealing her breath away with his knowing smile...all the while tempting her with the promise of unimaginable pleasure in his arms. But soon danger will intrude on this sensual dance. For as Adam's quest to regain his immortality plunges them into a world of timeless magic and the deadly politics of the Faery queen's court, the price of surrender could be their very lives. Unless they can thwart the conspiracy that threatens both mortal and Faery realms...and give them a shot at a destiny few mortals ever know: glorious, wondrous, endless love. While studying some ancient artifacts, Jessi St. James encounters the image of a man inside the glass of an old

mirror and discovers that she could hold the key to releasing Cian MacKeltar, a ninth-century Highlander, from his prison. Eliza Wentworth is no lady. After the notorious pirate Jandeau murdered her family, she vowed to spend the rest of her life at sea, saving others. She'd rather be firing cannons than embroidering pillows—or worse, bowing to the demands of a husband. But when she's stranded on an island off the coast of Scotland, now she is the one in need of help. And, annoyingly, that help comes not only from a man, but a man she struggles to resist. Highlander Beck Macquarie has never met a woman like Eliza. He hasn't met many women, period, thanks to the blasted curse set upon Wolf Isle decades ago. To save the clan, he needs a wife and bairns, and rough-around-the-edges Eliza is anything but wife material. She has no intention of staying once she's able to set sail again. He should let her go. But the desire between them is impossible to ignore. When she asks Beck to teach

her the ways of the bedroom while she hides her time on his island, he can't say no. As they learn more about each other, though, past trauma and secrets resurface. Now, Eliza must choose between the freedom and comfort of the only life she's ever known and sacrificing it all to save the people she loves...including Beck.
